

The 5th International Conference on Big Data Applications and Services  
November 23 - 25, 2017  
Jeju, South Korea

## CALL FOR PAPERS

### SCOPE AND OBJECTIVES

The aim of the 5th International Conference on Big Data Applications and Services (5th BIGDAS) is to present the innovative results, encourage academic and industrial interaction, and promote collaborative research in the field of big data worldwide. The 5th BIGDAS will be held in Jeju Island, South Korea on November 23-25, 2017. The conference is organized by Korea Big Data Society and KISTI. More information is available at:

<http://www.kbigdata.or.kr/5thbigdas/index.html>

### TOPICS

The following research areas are expected to be represented at the conference, but research papers on other related topics are also welcome.

- Big Data Architectures
- Big Data Models and Algorithms
- Big Data Search and Mining
- Big Data Visualization
- Big Data Query Processing
- Social Media
- Recommendation Systems
- Big Data Applications
- IoT and Big Data
- Smart Factory and Big Data
- Smart Healthcare and Medicine
- Big Data and Privacy
- Big Data Governance and Law
- Big Data in Bioinformatics

### PAPER SUBMISSION

We invite authors to submit papers for oral and poster presentations in any of the areas of interest. All submitted papers will be reviewed in terms of technical quality, significance, and clarity.

- Regular Paper: 4-6 pages
- Short paper: 2 pages

The selected papers after further revisions will be recommended to the special issues of various international journals indexed as SCI and SCIE.

### IMPORTANT DATES

Paper Submission Due: **October 13, 2017**  
Paper Notification Due: **October 27, 2017**  
Final Paper Due: **November 3, 2017**  
Registration Due: **November 3, 2017**

### Sponsorships

The 5th BIGDAS offers an excellent opportunity for industry to introduce their latest products and research, gain feedback and establish collaborative relationships with international participants of technical and business people in various fields including Big Data, Applications and Services. We welcome your sponsorship. Sponsors can contact 5th BIGDAS organization by email:
