

The 9th International Conference on Big Data Applications and Services

November 25-27, 2021

Jeju, Korea

CALL FOR PAPERS

SCOPE AND OBJECTIVES

The big data have become core technologies to provide innovative solutions in many fields. The aim of the 9th International Conference on Big Data Applications and Services (BIGDAS2021) is to present the innovative results, encourage academic and industrial interaction, and promote collaborative research in the field of big data worldwide. The BIGDAS2021 will be held in Jeju Island, South Korea on November 25-27, 2021. The conference is organized by Korea Big Data Society. More information is available at:

<http://www.kbigdata.or.kr/bigdas2021/index.html>

TOPICS

The following research areas are expected to be represented at the conference, but research papers on other related topics are also welcome.

- Big Data Models and Algorithms
- Big Data Search and Mining
- Big Data Visualization
- Big Data and AI
- Blockchain and its applications
- Social Media
- Recommendation Systems
- IoT and Big Data
- Smart Factory and Big Data
- Smart Healthcare and Medicine
- Big Data and Privacy
- Agricultural Big Data Applications

PAPER SUBMISSION

All submitted papers will be reviewed in terms of technical quality and significance.

- Regular Paper: maximum 8 pages
- Short paper: 3-4 pages
- Poster paper: 2 pages

The selected papers will be recommended to the special issues of international journals.

IMPORTANT DATES

Paper Submission Due: **November 1, 2021**

Paper Notification Due: **November 8, 2021**

Final Paper Due: **November 10, 2021**

Registration Due: **November 20, 2021**

Workshops

1. The International Workshop on Big Data Challenges and Solutions in Agriculture (AgriBigData-2021)

2. The International Workshop on Big Data for Ceramics and Smart Manufacturing (BDCSM2021)

Exhibitions

The BIGDAS2021 offers an excellent opportunity for industry to introduce their latest products and research, gain feedback and establish collaborative relationships with international participants.
